OK, given how crazy it is to get all us together, let's go with the Monday at 1 option, we will make it work from our end. Please hold that time and we will get a meeting announcement out  
thanks  
Doug

I can't do that time. Liz might be able to, but I will let her answer **Ex. 6 Personal Privacy (PP)** so will not be able to respond until Monday).

Thanks everyone for your quick response.

As luck would have it, there is one date that everyone is available-and it was a mistake on the poll!! The time should have been for Tuesday at 1 not Monday at 1.

So any chance folks are available Tuesday 7/16 at 1?? All of the other dates did not work.

thanks  
Doug
